INTRODUCTION

We are well established & well organized in the field of repair & rehabilitation work in Mumbai, Navi Mumbai & Thane. We have been successful from a small beginning to high valued projects, we did lot repair work like rehabilitation of R.C.C. structural in distress which take the owners away from leakage & other structural related problems. We generally believe in doing the best to guarantee you to keep apart from the structural problem for several decades.

This is an organization affiliated with building repair activity ever since its beginning in Mumbai, Navi Mumbai & Thane i.e. almost 10 years by now. Qualified & highly experienced Engineer & supervisory staff connected with communication facility support him. A large well-disciplined and efficient labour force is always available to actually create our dreams in to durable realities.

We have been always interested by major clients and consulting engineer to supplement their efforts for their prestigious projects for timely completion and best of workmanship. We fortunately could fulfil their tangible demands and intangible expectation by putting the best of our effort to earn approval and satisfaction of all concern. Our past exposure & deep involvement to the work equipped us with efficient and time proven as well as latest techniques, be it specialized structure repair or any other projects, our incomparable skill in execution has always shown difference. In supplementation of our claims please find enclosed here with list of major projects completed & in progress, with details of equipment & machineries, tools & traces so on & so forth.

We are at your service for any further information/ clarification. Looking forward to an opportunity to serve you for long- term mutually beneficial association.
